1030 - 1200	AASD Executive Board Meeting
1300 - 1600	IDF-WPR Council Meeting
0900 - 1600	Diabetic Foot Workshop <i>Moderator: Badrulnizam (Malaysia)</i> <i>Speakers: Aziz Nather (Singapore), Harikrishna K. R. Nair (Malaysia), Hanif Hussein (Malaysia), Normala Basiron (Malaysia)</i>
1900 - 2200	Opening Ceremony & Cocktail Reception
1930 - 1940	Welcome Address by Chairman of Organizing Committee <i>Ikram Shah Ismail</i>
1945 - 2000	Welcome Address by IDF-WPR Chair <i>Linong Ji</i>
2005 - 2015	Welcome Address by AASD Chair <i>Yutaka Seino</i>
2020 - 2040	Speech and Opening by Honorable Minister of Health, Malaysia
2045 - 2115	Plenary Lecture by IDF President <i>Nam Han Cho</i>

DAY 1 (23 Nov 2018, Friday) KUALA LUMPUR CONVENTION CENTRE

0830 - 0900	IDF-WPR Presidential Lecture <i>Linong Ji (China)</i>					C O N C U R R E N T	
0905 - 0950	Plenary 1 Cardiovascular Outcome Trials – Past, Present and Future <i>Rury Holman (UK)</i>						
0950 - 1010	Tea Break						
1010 - 1050	Yutaka Seino Award Lecture						
1055 - 1240	Clinical Diabetes and Therapeutics	Clinical Diabetes and Complications	Nutrition And Exercise	Education and Living With Diabetes	AASD		
	Symposium 1 Advances in Diabetes Management 1. Optimal HbA1c: Does it Matter How you Get There? <i>Rury Holman (UK)</i> 2. Algorithm: Is it Useful? <i>Ronald Ma (Hong Kong SAR)</i> 3. Sulphonylureas: Are they Still Relevant? <i>Sidartawan Soegondo (Indonesia)</i>	Symposium 2 Cardiovascular Risk in Diabetes 1. Diabetes and CVD in WP Region: Current Status and Future Directions <i>Jonathan Shaw (Australia)</i> 2. The Role of Statin and Antiplatelet in Primary Prevention of CVD <i>Nemencio Nicodemus Jr (Philippines)</i> 3. BP Targets for Diabetes: 130/80 mmHg? <i>Wayne Sheu (Chinese Taipei)</i>	Symposium 3 Gestational Diabetes 1. Is Glycaemic Index Useful? 2. Managing Weight Gain in Obese GDM <i>Moe Wint Aung (Myanmar)</i> 3. The Future of GDM Mothers and Offsprings <i>Shireene Ratna (Malaysia)</i>	Symposium 4 T1DM in Youth: What is Unique? 1. Exercise Management in T1DM <i>Hood Thabit (UK)</i> 2. Metabolic Control Beyond HbA1c <i>Lee Yung Seng (Singapore)</i> 3. Retinopathy in T1DM <i>Kim Donaghue (Australia)</i>	AASD/MDIA Joint Session 1		
1240 - 1400	AstraZeneca Lunch Symposium		Servier Lunch Symposium				
1400 - 1500	Oral Presentations OP1 – OP5	Oral Presentations OP6 – OP10	Oral Presentations OP11 – OP15	Oral Presentations OP16 – OP20	AASD/MDIA		
1505 - 1605	Debate 1 Medical Treatment of Hyperglycaemia: Stepwise vs Pathophysiological Approach <i>Rury Holman (UK) vs Mark Cooper (Australia)</i>		Debate 2 Diabetes Prevention: Sugar Tax vs Education for Behaviour Change <i>Rob Van Dam (Singapore) vs Winnie Chee (Malaysia)</i>				Joint Session 2
1605 - 1625	Tea Break						
1625 - 1725	Clinical Diabetes and Therapeutics	Clinical Diabetes and Complications	Nutrition And Exercise	Sponsored Satellite Symposium	AASD		
	Symposium 5 Diabetes: New Direction in Treatment 1. Ties between Obesity and Diabetes <i>Shashank Joshi (India)</i> 2. Managing Obesity <i>David Cummings (USA)</i>	Symposium 6 Managing Diabetic Foot 1. Prevention of Diabetic Foot <i>Aziz Nather (Singapore)</i> 2. Diabetic Foot Care <i>Thep Himathongkam (Thailand)</i>	Symposium 7 Lessons from Clinical Trials 1. Empaglifozin and CVOT in Asian Patients with T2DM and Established CVD <i>Kohei Kaku (Japan)</i> 2. Clinical Trials Comparing Different Pre-mix Insulin Treatment <i>Weiping Jia (China)</i>	TBA	AASD Oral Session 1		
1730 - 1800	AASD Presidential Lecture <i>Ikram Shah Ismail (Malaysia)</i>					P O S T E R	

SCIENTIFIC PROGRAMME

DAY 2 (24 Nov 2018, Saturday)
KUALA LUMPUR CONVENTION CENTRE

0630 - 0730	Walk for Diabetes at KLCC					C O N C U R R E N T P O S T E R
0750 - 0850	Eli Lilly Breakfast Symposium					
0855 - 0940	Plenary 2 The Diabetes Epidemic: Why We May be Misunderstanding it? <i>Jonathan Shaw (Australia)</i>					
0945 - 1025	Plenary 3 The Future of Childhood Diabetes <i>Kim Donaghue (Australia)</i>					
1025 - 1045	Tea Break					
1045 - 1230	Clinical Diabetes and Therapeutics	Clinical Diabetes and Complications	Nutrition And Exercise	Education and Living With Diabetes	AASD	
	Symposium 8 New Modalities of Treatment 1. Newer Insulins: Are they Worth it? <i>Thep Himathongkam (Thailand)</i> 2. What's the Ideal Combination? <i>Siew Peng Chan (Malaysia)</i> 3. What's New in the Pipeline? <i>Moon-Kyu Lee (Korea)</i>	Symposium 9 Microvascular Complications 1. Genetic Factor and The Development of Diabetic Complication <i>Mark Cooper (Australia)</i> 2. Retardation of Diabetic Kidney Disease <i>Juliana Chan (Hong Kong SAR)</i> 3. Risk Factors and Recent Advances in Diabetic Retinopathy <i>Nor Fariza Ngah (Malaysia)</i>	Symposium 10 Diabetes Prevention 1. Lesson from DIRECT Trial <i>Anthony Leeds (UK)</i> 2. Useful Technology for Monitoring Lifestyles <i>Elaine Chow (Hong Kong SAR)</i> 3. Pre-diabetes: Lifestyle, Pharmacotherapy or Regulation <i>Jonathan Shaw (Australia)</i>	Symposium 11 Diabetes Education 1. Diabetes Education in Adults vs Elderly: Are There Differences? <i>Trisha Dunning (Australia)</i> 2. Literacy and Numeracy: Does it Matter to Diabetes Outcome <i>Margaret McGill (Australia)</i> 3. Diabetes Education in the Digital Era <i>Daphne Gardner (Singapore)</i>	AASD Investigator Award Oral Session 1	
1230 - 1400	Boehringer Ingelheim Lunch Symposium		Abbott Nutrition Lunch Symposium			
1400 - 1500	Debate 3 Obesity: Pharmacotherapy vs Surgery <i>Shashank Joshi (India) vs David Cummings (USA)</i>		Debate 4 Lipid: Fire and Forget vs Treat to Target <i>Mafauzy Mohamad vs Ted Wu</i>		AASD Oral Session 2	
1505 - 1550	Plenary 4 From Integrated Diabetes Care to Precision Medicine <i>Juliana Chan (Hong Kong SAR)</i>					
1555 - 1655	Merck Sharp & Dohme High-tea Symposium		Ascensia High-tea Symposium			
1700 - 1725	Masato Kasuga Award Lecture					
1730 - 1800	Xioren Pan Award Lecture					
2000 - 2300	Congress Dinner					

SCIENTIFIC PROGRAMME

DAY 3 (25 Nov 2018, Sunday)
KUALA LUMPUR CONVENTION CENTRE

Plenary 5 Diabetes and Obesity- Prevention or Treatment <i>Trisha Dunning (Australia)</i>					
0800 - 0845					
0850 - 1020	Clinical Diabetes and Therapeutics	Clinical Diabetes and Complications	Nutrition And Exercise	Education and Living With Diabetes	AASD
	Symposium 12 What's New in Hypoglycaemia? 1. Cardiac Abnormalities During Hypoglycaemia <i>Elaine Chow (Hong Kong SAR)</i> 2. Cognitive Decline in Hypoglycaemia <i>Wayne Sheu (Chinese Taipei)</i> 3. Hypoglycaemia Unawareness <i>Mohamad Hassanein (UAE)</i>	Symposium 13 Diabetes- The Evil Twin 1. Non-Alcoholic Fatty Liver Disease (NAFLD): The New CV Risk <i>Ronald Ma (Hong Kong SAR)</i> 2. Obstructive Sleep Apnoea: Not-so Silent Killer <i>Andrea Ban Yu-Lin (Malaysia)</i> 3. Diabetes and Cancer: Is There a Link? <i>In-Kyu Lee (Korea)</i>	Symposium 14 Physical Activity and Exercise/Fitness 1. Sedentism and Diabetes Risk <i>Nemencio Nicodemus Jr (Philippines)</i> 2. Is Exercise Effective for Longterm Treatment? <i>Mohd Nahar Azmi (Malaysia)</i> 3. Aerobic vs Resistance Exercise? <i>Shane Brun (Australia)</i> Tea Break	Symposium 15 Psychosocial Care in Adolescent 1. Optimal Diabetes Management: What is Stopping Our Patients? <i>Margaret McGill (Australia)</i> 2. Peer Support <i>David Whitford (Malaysia)</i> 3. The Role of Therapeutic Communication in Improving Diabetes Care <i>Hariyati Shahrira (Malaysia)</i>	AASD Investigator Award Oral Session 2
1020 - 1040					
1040 - 1140	Oral Presentations OP21 - OP26	Oral Presentations OP26 - OP30	Oral Presentations OP31 - OP35	Oral Presentations OP36 - OP40	AASD
1145 - 1315	Clinical Diabetes and Therapeutics	Clinical Diabetes and Complications	Nutrition And Exercise	Education and Living With Diabetes	
	Symposium 16 (Mandarin Session)	Symposium 17 Complications in Young Diabetes 1. Cerebral Oedema In Diabetic Ketoacidosis (DKA) <i>Lee Yung Seng (Singapore)</i> 2. Cardiovascular Risk In Adolescent With Diabetes <i>Aung Cho Myint (Myanmar)</i> 3. Nephropathy in Adolescents with Type 2 DM <i>Mark Cooper (Australia)</i>	Symposium 18 Dietary Patterns in Diabetes 1. High Fat or Low Carbohydrate Diet <i>Barakatunisak Mohd Yusof (Malaysia)</i> 2. Plant Based Diets <i>Martalena Purba (Indonesia)</i> 3. Intermittent Fasting <i>Mohamad Hassanein (UAE)</i>	Symposium 19 Diabetes and Technology 1. The Use of Insulin Pump <i>Muhammad Yazid Jalaludin (Malaysia)</i> 2. Tools and Apps for Glucose Monitoring: What's New, What works <i>Daphne Gardner (Singapore)</i> 3. Artificial Pancreas: Have We Arrived? <i>Hood Thabit (UK)</i>	AASD Oral Session 3
1320 - 1400	Lunch and Closing Ceremony Speech by Chairman of 12th IDF-WPR Congress Hand Over to the Chairman of 13th IDF-WPR Congress Speech by Chairman of 13th IDF-WPR Congress Speech by President of 10th AASD Hand Over to the President of 11th AASD Scientific Meeting Speech by President of 11th AASD Scientific Meeting
